May'20

Dear Parent/Carer,

We are delighted that your child will be joining Aileymill Primary and are looking forward to starting this new chapter in their life with you. With everything that is going on just now it has made it a little bit more difficult to organise our usual transition visits and meetings. However, we will do our best to keep you informed and prepare your child for their move.

There is quite a lot to absorb at the start of Primary 1 so we have created a booklet for you to refer to during the transition period. This contains a picture tour of the school which we would like you to share with your child. Additional information can be gained from looking at the school handbook on our website. The school also has a Facebook and Twitter page which are regularly updated. These are both closed groups. Please look them up and request to join.

@Aileymill

Aileymill Primary School

We have also prepared a short video tour of the school. This has been uploaded onto our Facebook page and can also be accessed on the link below.

At Aileymill we are committed to providing the best learning opportunities for your child, encouraging them to "learn to

learn and to learn to care". Our dedicated staff are focussed on ensuring every individual in their care achieves their potential in a safe and nurturing environment.

We do appreciate though that many of you may find this a stressful and worrying time and would like to do everything that we can to allay any of your concerns. Please do not hesitate to contact Mrs Miller (HT) or Mrs Ferrier(DHT) on the numbers below.

Mrs Miller - - 07784056443

Mrs Ferrier - 07784056434

We look forward to hearing from you and meeting your wee ones at the earliest possible occasion.

Yours sincerely

Angela Ferrier
Depute Head
