# My School

This the main entrance to the school.

When I enter the school I will go along the bottom corridor to get to my classroom.

Outside the classroom is the cloakroom. I will hang my coat and bag here.

This is the classroom. In here I will sit at a desk. My teacher will help me with my work.

At playtime I will come out of the classroom door into the playground.

In the playground I will get to eat my snack and play with my friends.

This is the dining hall. I will eat my lunch here.

I will wear a coloured band and choose a matching coloured tray.

I will go to the gym hall with my class for P.E. and whole school assemblies.

Sometimes my class will have P.E. in the MUGA pitch.

When I come to school I will wear a uniform. When I have P.E. I will change into my shorts.
